

Summer Band at Summer Rec

WHO: Students in grades 4-12 interested in the instrumental music program.

WHEN: Monday, July 2 – Friday, July 13th
(no rec on Wednesday, July 4th)

WHERE: High School Band room

TIME: 8:30am- 10:30am (HS students may attend 8:00-11:00AM)

Students entering 5th & 6th Grades who DO NOT play an instrument will be brought down to the band room in 30 minute intervals to try out instruments. This will give them a better idea of what they would like to play in the fall and hopefully give them a head start.

**** WE NEED BRASS!!!!****

Other instruments available: Flute, Clarinet, Saxophone, Trumpet, Trombone, Percussion.

Students in last year's 5th & 6th Grade Bands will also be brought down to the band room in 30 minute intervals to work on current music and get a chance to work with students currently in the program.

Students in grades 7-12 who are currently in the band program may stay in the band room the entire time to practice and/or help with others.

Possible short "concert" on Friday, July 13th.

What students will need:

- Instrument
 - (if you have one – if you are just starting, there are instruments for you to try in the band room)
- Any music or books that you would like to work on.
- I will also have some ensemble books as well.
- HS Students will receive "volunteer credit hours" for participating and you will be able to help younger students with their instrument playing.

Please email or call with any questions – Hope to see you there!!
